Dear Cloggie,

Last season we managed to raise 125-00 for the B.K.P.A. Silver Lining Appeal and have received a letter of thanks from them. There have been no further developments with the chalice in memory of Colin George. I recommend that we ask Arnold Hirst to purchase a suitable chalice on our behalf and collect the sum from our membership to cover this and the engraving cost.

This year we will be raising money for the "THE ELIZABETH FOUNDATION" at Cosham. See attached sheet.

The practices will again be held in the Scout Hut at 8.30 pm on Tuesday evenings. Please let me know in good time if you are unable to attend. The practice dates will be as follows :-

13th February
27th February
13th March
27th March
3rd April
10th April
17th April
24th April

Other practice dates will be arranged as necessary during our performing season.

This year 1st May falls on a Tuesday and we will start at dawn in Wickham Square. As most Cloggies will be working on Tuesday, we will not be having the usual breakfast after the dancing. Other sides will be invited to the evening performances in the Square.

Public performances have been arranged for the following dates :-
